

The Diocese of Southwark

The Bishop of Southwark wishes to appoint

A Priest in Charge

for

Wandsworth St Paul (Wimbledon Park)

St Paul's is a friendly liberal-catholic, inclusive church with an increasingly diverse congregation, a strong musical tradition and a busy community centre.

St Paul's Parish is situated between Wimbledon Common, Wimbledon Park and Southfields tube station with a young and changing demographic.

We want to grow, in faith and in numbers, to be outward-facing, and work with and support the local community

We are looking for a priest who will work with us, helping us explore our faith and to enable us to relate this to how we live our lives.

We are seeking a priest with vision and energy who:

- is a good communicator and listener, and a preacher who will stimulate minds and imaginations;
- relates easily to people, especially to young people and young adults, able to draw them into the church community;
- appreciates music as an integral part of worship, parish and local life;
- can inspire, motivate, and enable church members to serve the church and local community in different ways.
