Creationtide, or The Season of Creation, is a season in the Church calendar in which Christians around the world focus our attention on God's creation and humanity's responsibility as good stewards. The season runs from 1st September to 6th October when we will celebrate our Harvest Festival. While its adoption was in part driven by the complex environmental crises the human race faces, Creationtide

draws on much deeper roots in Scripture and in older Christian traditions of the relationship between God, humanity and the created order.

At St Paul's, we will be engaging with Creationtide in several ways including special liturgy, music, homilies and prayer stations. Our own Bishop Richard will be preaching for us on 15th September. I would be grateful for your support in creating prayer stations: one for each of the 'seven days of creation' found in Genesis. These will need to be in place by the beginning of September. There are plenty of ideas and resources to get you started on the Church of England's website w: <https://creationtide.com>. Or please see me with any thoughts or questions. There is a sign-up sheet at the back of the church. Thank you, Revd Susan

Major gas works in Augustus Road and Inner Park Road have now resumed and will last for approximately 5 months. The project will progress along Augustus Road and Inner Park Road in four phases, the first phase being the section between the junctions of Victoria Drive and Inner Park Road in front of church. **This phase is scheduled to take a further two weeks, during which the eastbound lane between these junctions will be closed.** A signed diversion will be in place via Inner Park Road - Windlesham Grove -Victoria Drive. **On-street parking within the work area and directly in front of church will not be possible.** As the works move into Inner Park Road, there will be further phased parking restrictions, lane suspensions and traffic closures affecting sections between Tibbets Close and Kingsmere Road. We ask our congregation to be aware of the works and the resulting disruption, and to allow extra time for their journeys to and from church.

Collection: During this service we will take a collection to support the work of the Church. Many people instead choose to contribute by direct debit. You can also make a direct bank donation to St. Paul's Church PCC, Sort Code 60 20 09, Account No. 41649990. However you may choose to pay, contributions can attract Gift Aid if you are a UK taxpayer. This augments your contribution by 25% with no additional cost to you. Higher rate taxpayers can also claim back the difference between the rate they pay and the basic rate on their donation. Certain rules apply. For more information, please speak with Guy or our Treasurer, Philip Warner.
